DIRECTIONS TO THE KANSAS CHAROLAIS FIELD DAY

From Concordia—South 30 miles to Limestone Rd/Wells or From Salina—North 20 miles to Limestone Rd/Wells Rd. Turn east onto Limestone Rd (It is also marked as Wells to the East). Once you turn east follow the blacktop about 10 miles through the curves as the road eventually turns straight north and becomes 210th. The ranch is located on the east side at the corner of 210th and Oxbow.

From Clay Center—Go south on 15 Hwy 9 miles to the Oakhill blacktop road and turn west (There is a power station on the east). Go west about 22 miles where a big curve will take you south. From the curve Oxbow Rd is about 5 miles south. The ranch is on the east side road.

From Bennington—Take Nelson street north (which is the main street) about 7 miles to the first stop sign. Continue north another two miles to the second stop sign. Turn east onto Limestone Rd. Follow the curves about 6 miles (eventually going straight north) to Oxbow Rd. The ranch sits on the east side.
