President's Message

I would like to thank everyone who participated in the Kansas State Fair in September. It was a very successful 10 days.

As we have just completed The American Royal; it is now time look toward the following events, the Kansas Beef Expo and the National Western in the near future. Please help to promote Charolais and the cattle industry at these events.

Many members are working hard to finalize the 2014 National Junior Charolais Show and Leadership Conference. I hope everyone can help to make this a great success.

Sincerely,

Maurice Rohr

KCA President

From the KCA

Field Day Highlights: The members of the Kansas Charolais Association would like to thank Spencer, Laci, Weston and Josi Schrader for hosting the 2013 Kansas Charolais Field Day. Over 75 people from across the state attended at the ranch north of Wells. While juniors competed in a 'biggest catch' contest at one of the ranch lakes, other guests enjoyed viewing the Schrader's cattle at pasture stops. A delicious beef lunch, provided by American Ag Credit, was served at the Wells Community Center. During the luncheon program, juniors Weston Schrader and Payden Barrett highlighted contests they are involved in at the national level.

With thanks to the Schrader Family for providing the setting for guests to visit and enjoy a relaxing day discussing Charolais and the cattle industry.

Dues: Please See Page 4 for Annual Dues Information. The new KCA directory will be produced this spring. Ad deadlines are April 1st, and memberships must be paid in full.
