## President's Message

Dear Fellow Charolais Breeders:

It is an honor to be the new President of your Kansas Charolais Association. I would like to thank Maurice Rohr for serving as the President for the last two years. Maurice is an asset to our breed and did a great job.

Congratulations to all the Juniors who participated in our State Show over the Memorial day weekend. We had one of the better turnouts for numbers of cattle, kids and spectators and it was great to see lots of familiar faces; but even more exciting to see many new young members and their parents getting involved.

The KCA has some exciting events and activities coming up in the next few months. The first and most exciting is the National Junior Show and Leadership Conference in Hutchinson, July 6 through July 11. Many people in both the KCA and the KJCA have been planning the event for the past several months. If you have been involved in planning or made a donation of time, money or items, thank you. If you have not yet been involved there is still time to help — just contact myself, a junior officer, one of the junior advisors, or one of the officers of the KCA. We can use help at the show and this year! There is a spectator registration that is open until June 21! Information about this new way to support and participate in the Junior National is available at the AICA website.

If you can't help that is okay, please come down to Hutch that week and watch the Juniors show and see all the great kids and cattle that will be in the barn. I am pretty certain that you will be impressed with the quality of the cattle and the kids.

Mark your calendars for September 13, 2014, for the 50th anniversary of Charolais at the Kansas State Fair. Curtis Ohlde is chair of the committee for this event so contact him with questions, suggestions or offers to help with the event. It would be great if more people could exhibit cattle, including Juniors. September 13, is a Saturday, so it would make an excellent day away from the ranch to see some great Charolais cattle and to meet other Charolais breeders.

We need nominations for the 46th National Show Dedicatee. Please send the names of any Kansas Breeders you might think are worthy of a nomination. The award will be given at the American Royal in November. It would sure be great if a Kansas Breeder would end up being the 46th National Show Dedicatee.

Thanks,

Todd Sheppard  
President, Kansas Charolais Association
