

Kansas Charolais Association

AUGUST 2017

Letter from the President

Greetings from the Kansas Charolais Association,

It must have something to do with getting older but its hard to believe summer is winding down and time to start looking forward to fall events.

First off, our annual state tour is going to be postponed this year due to several conflicts that have come up with a couple potential tour locations. We will plan to have the tour next year . We have a couple of conformations at this time.

Next upcoming event will be the Kansas State Fair Open show. This year the show will be on Friday the 15th and since the tour hasn't worked out, we are planning to have a reception following the show for exhibitors and members. We are also looking for award sponsors to help with the cost of banners. If you would like to sponsor the show or reception, please let Megan or myself know. Look forward to having a good turnout of cattle and members.

The last thing to look forward to is fall bull and female sales. If you have a sale you would like to have posted as an event on the Association Facebook page let Megan know so it can be posted as an event. Any questions about the Association feel free to contact Megan or myself. Look forward to seeing you at the Kansas State Fair Charolais show.

Respectfully,
Curtis Ohlde, Kansas Charolais President

- **Sept 15– State Fair Open Show and reception**
- **Oct 25– Fink Beef Genetics Sale**
- **Oct 27-29 American Royal**
- **Nov.—NAILE**

Secretary/ KJCA Advisor Report

Hello Everyone!

I hope everyone is had a good summer. With county fairs finishing up I am sure everyone is gearing up for State Fair ad KJLS. I feel bad that the Field Day didn't work out there was just a lot of conflicts going on. Next year it will be great! Thank you for understanding.

Please give me your sale dates for the upcoming year.. I would like to get them on the website! When the time comes for your sale I can try and get a link to your catalog as well. I am really trying to keep the website updated. I have made some changes as well trying to make it easier to navigate. Let me know if you think anything needs changed.

The juniors had a great Junior National this year. The results are on the next pages. I am proud of how they did. Next year they will be heading to Des Moines, Iowa.

Megan Larson, KCA Secretary/Treasurer and KJCA Advisor
