**Greetings from the Kansas Charolais Association,**

**Not for sure where the year has gone but once again it's time to start thinking about a new year. If you're much like me you're wrapping up Thanksgiving with family and either starting or in the middle of fall breeding. From the Charolais sales I've seen reports on this fall, demand for Charolais cattle has been good. As we go into a new year, looking forward to the demand for Charolais cattle to continue. A few things to remember going into the new year, dues for both Kansas Charolais and AICA are due. This allows you to stay up to date with the latest news and events. Watch for upcoming issues in the Journal for a report from the recent board and committee meetings, spring sales, spring shows, and meeting updates. On behalf of all the Board Members with the Kansas Charolais Association, I would like to wish you and your families a safe and Happy Christmas and New Year.**

**Curtis Ohlde,**

**Kansas Charolais Association President**

## Secretary/ KJCA Advisor Report

---

Hello Everyone!

We had a great turn out for Kansas State Fair this year. The results are on the next page. It was a good show and it went smoothly. Thanks to everyone for the help lining up cattle and being in the ring. We also had a lunch sponsored by Wal-Mar Charolais after the show and we appreciated them for preparing that for us.

The Kansas Jr. Livestock Show was held a couple weekends later and the juniors had a competitive show. Congrats to all the winners from State Fair and KJLS.

Have a Merry Christmas!!

Megan Larson, KCA Secretary/Treasurer and KJCA Advisor
